"Walk Away"

This time
I've gotta put my guard down
Pick myself up off the ground
Take the pain

It'll pass
The swelling never really lasts
But the scar remains remind me
That I'm still living

Well it's not too late
Oh, it's really not worth the fight
No one's right
Well it's time to walk away

Walk away
Walk away
Walk away
Walk away

Well the bigger that you come
Oh the harder you're gonna fall

Walk away
Walk away

Did you win?
Oh, baby, did you lose?
Now you're gonna lick your wounds anyway
When it comes back to you

When you fall
You're gonna need a parachute
Or a used pair of shoes to go
And walk away

Well it's not too late

And it's really not worth the fight
No one's right
Well it's time to walk away

Walk away
Walk away
Walk away
Walk away

Well the bigger that you come
Oh, the harder you're gonna fall
