Thought I ran into you down on the street  
Then it turned out to only be a dream

I made a point to burn all of the photographs  
She went away and then I took a different path  
I remember the face, but I can't recall the name  
Now I wonder how Whatshername has been

Seems like she disappeared without a trace  
Did she ever marry oh, Whatshisface

I made a point to burn all of the photographs  
She went away and then I took a different path  
I remember the face, but I can't recall the name  
Now I wonder how Whatshername has been

Remember  
Whatever  
It seems like forever ago

Remember  
Whatever  
It seems like forever ago

And in the darkest night  
If my memory serves me right  
I'll never turn back time  
Forgetting you but not the time
