Anarchy! in badrock, twitch twitch.
[one, two, three, four]
Right now, hahaha
I am an antichrist
I am an anarchist,
know what I want,
but know how to get it.
want to destroy, mr. slay,
cause I wanna be Fred Flintstone
Anarchy in badrock,
stop it sometime it makes betty and wilma,
try some flint upside down rubble bouble,
or you just try frutty roubles, cause I wanna be fred flintstone.
in bedrock it is the only way to be.
many ways to get what you want,
I use ministry, I use barny rubbles,
I use anarchy,
cause I wanna be, fred flintstone, YA BA DA BA DU!!
Is this the USPA,
is this holywood,
is this badrock,
I thought it was holyrock,
cause I wanna be fred flintstone,
and I wanna be fred flintstone,
and I wanna be fred flin-t-s-t-o-n-e.
