You called up late
Said you wanted to talk
I was afraid
Cause you spoke so softly

You took my hand
Slowly started to cry
I can't understand
Why our season went by

Why do leaves fall down from the sky
Is the tree not strong enough

You turned away
Slowly opened the door
Said you could not stay
You couldn't take it no more

It started to rain
Tears kept falling from the sky
It did not stop the pain
It did not stop the pain

Why do leaves fall down from the sky
Is the tree not strong enough

Now I fall on the ground

It did not stop the pain
It did not stop the pain

Why do leaves fall down from the sky
Is the tree not strong enough
Why do leaves fall down from the sky
Is the tree not strong enough

Now I fall on the ground
Now I fall on the ground

It did not stop the pain
It did not stop the pain

Why do leaves fall down from the sky
Is the tree not strong enough
