Chosen

Frozen

Blinded by the light

Chosen

Chosen to be here for

Nomads

Dying on my doorstep

Jesus

Will cry until I'm back again

Back again

Frozen

Blinded by the light

Chosen

Chosen to be here for

Nomads

Dying on my doorstep

Jesus

Will cry until I'm back again

Back again

Drag me away

Floating away

Drive me away

Flow me away

Drag me away away

Frozen

Blinded by the light

Chosen

Chosen to be here for

Nomads

Dying on my doorstep

Jesus

Will cry until I'm back again

Back again
