You always say  
That your life's been thrown away  
That's why you turn to a man upstairs  
And pray he'll save you everyday

Don't come around no more  
Save your soul in the eyes of the lord  
Don't come around no more  
Save your soul in the eyes of the lord

Long years go by  
As you still sit to wonder why  
Your voice can't scream out loud  
And your mind's been trapped inside

Don't come around no more  
Save your soul in the eyes of the lord  
Don't come around no more  
Save your soul in the eyes of the lord

Burn yourself down  
Bring yourself down  
Burn yourself down  
Bring yourself down

You know I'm drowning in myself  
Drowning in myself  
You know I'm drowning in myself

Don't come around no more  
Save your soul in the eyes of the lord  
Don't come around no more  
Save your soul in the eyes of the lord  
Don't come around no more  
Save your soul in the eyes of the lord  
Don't come around no more  
Save your soul in the eyes of the lord

Burn yourself down  
Bring yourself down  
Burn yourself down

Bring yourself down
