What is that smell?
Walking through the plant today
Scooping up what gets away
It's poo poo
Poo poo
Something's smelling pretty ripe
Coming from that sewer pipe
It's poo poo
Poo poo
You know everybody knows
Who can smell it with their nose?
It's poo poo
Poo poo
I've got poo poo on my shoe (x2)
It's poo poo
Poo poo
But first
You gotta (x2)

You gotta, got to, got to, got to, got to, got to, got to,
got to shit,
man
Lemme, lemme, lemme, lemme, lemme, lemme,
lemme, lemme shit, man
Don't gimme no, gimme no, gimme no, gimme no,
gimme no, gimme no, gimme
no, gimme no shit, man
Come on, come on, come on, come on, come on, come
on, come on, come on
shit
He's got poo poo
Ha, ha, ha, ha, ha
