Hello, little children, come stand over here, I'm gonna
shake it with the
hot groove a-right in my ear
Yeah, you're boppin' down Melrose in Daddy's new car,
I'm gonna hit you in
the nose and hit you real hard
So I jumped on the bandwagon, big butt toe wagon,
racka-sacka rose but
jammin' in your butt, wait for Ted bass, fuckin' up your
face
And they rocked out
Threw the pub out
Gonna wip my multiple sack out
We are trippin' on XTC
Hedgin' in our defect sexuality

Don't you wanna bang us, wanna be like me?
We are trippin' on XTC now
Livin' in, livin' in, livin' in, livin' in now
(Hallucino genius) (x4)
Are you boys on drugs?
(x2) Yeah
Jesus Christ
Yeah
He is nice (x2)
Huh Sly, let's do this (x23)
I'm never coming down (x2)
Now I lay me down to sleep
I pray the Lord my soul to keep
If I die before I wake
I pray
The Lord
My soul
To take
