You try to pull my pants down
You try to take off my shirt
And then you bite my head off
And cover me with dirt
I don't want to live like that no more

You try to bash my head in
You try to cover my space
And then you bite my nuts off
And spit them back in my face

I don't want to live like this no more

You try to pull my pants down
You try to take off my shirt
And then you bite my head off
And cover me with dirt

You anal fuck
You're an anal fuck
You anal fuck
You're an anal fuck

You anal fuck
