Thinkin' back to how it was
Used to treat me as your own
Used to say i was ok
Used to take me to your home
(yeah)

Then I found out who I was
Found out what I had to say (you want me)
The more I turned into myself
The more I think I came to be (you want me)

Lookin' back to how it was
You used to laugh at all my friends
You used to drag us through the mud
You used to bitch about my band

(yeah)

Then we found out who we were
Found out what we had to say (you want me)
You tried to come back in our lives
And now it's you who people hate (you want me)

(I'm out)
I guess I'm out of the game

(guess I'm out of luck this timeâ€¦)
(but that is just the way it's supposed to beâ€¦)
(I don't care about itâ€¦)
(I don't care at all)
