time stands still just long enough to see ur face this  
hole in my heart is  
too  
big 4 some1 to replace  
as time stands still and ur voice it echos the shit u  
wantd to say but i  
never gave u the time to make ur mind and im really  
sorry 4 that  
please oh please wont u please o please take me back.

time stands still only and 4 a moment i can breath

again  
time stands still just long enough to see ur face this  
hole in my heart is  
too  
big 4 some1 to replace  
as time stands still and ur voice it echos the shit u  
wantd to say but i  
never gave u the time to make ur mind and im really  
sorry 4 that  
please oh please wont u please o please take me back.

were hidden and now its time 4 me to let go of u 4ever  
and after

things that u do
