I won't let you go

Verse 1: One Accord

thinking back
to when we first met
your pretty brown eyes
now how could I forget
that day when you caught my eye
ooh girl you were looking so fly
baby I don't wanna lose your love
lady

Chorus

Verse 2: One Accord

can't you see
just what you mean to me
you're every little thing
a man could ever need
the way you wear your hair

the stylish clothes you wear
it really turns me on
and I don't wanna be alone

Chorus

Verse 3: Shaq

I got everything I want in this world except you
mansions, villas and yachts, and friends won't do
I see you not amazed by my wealth and it's cool
my family, yo they be sayin' that you play me for a fool
so what a playa do? give it up for a sis
cause you my dime you shine more than this joint on
my wrist
L.A., me and you the whole world's at my feet
with you at my side my whole life is complete

Chorus
