time isnt telling me a thing its playing with my heart im  
tearing at the seams you on the other hand choosing  
what to understand is old

CHORUS:im sure you know how we always find  
ourselves in the deepest corner of the darkest hour we  
can't get much louder than this we always lose our  
hearts in the strangest places picking up the pieces we  
break i just wont tell you about it i just wont tell you  
about it i just wont tell you about it i just wont tell you  
about

love isnt costing me a thing you're hearing what you  
want you want me so it seems time is the risk we take  
holding on to one mistake let go(let go) CHORUS: I JUST  
WONT TELL YOU ABOUT IT (7 TIMES)

OH BREAK IT LIKE YOU MEAN IT BOY SAY IT LIKE YOU'VE  
SAID IT BEFORE YOU'RE JUST IN TIME TO MAKE A  
MISTAKE HAD ALL THE TIME I CAN TAKE

CHORUS I JUST WONT TELL YOU ABOUT IT (4 TIMES )
