I'm minimized by your courtesy
I know it isn't your intension
still a part of me
is saddened by you

Unpredictable, illogical
you were trusted and treasured
it's such a shame
accidenta, inexplicable
but I'm somehow convinced that
you're to blame

And I resign, humble and shifty eyed
I still remember all your stories

I'll tell you one of mine
I'm saddened by you

You apoligize but don't change
stranger with a well-known face
and I might just lie when I say
I don't miss you

Unpredictable, illogical
you were trusted and treasured
it's such a shame
accidenta, inexplicable
it's too late, I'm afraid
I've lost a friend
