Oh!

I'm so sick of TV, ain't nothing I wanna do

And I'm so sick of romance, I'm getting real sick of you

Gotta get on out of here, find me something to do

I wanna get on out of here, just ain't nothing to do

I'm so sick of FM, even Casey of you

Gonna get out on the streets, man, just ain't nothing to do

Gotta get on out of here, find me something to do

I'm gonna get on out of here, just ain't nothing to do,

no!

Ain't nothing to do

Gonna beat up the next hippie, man

Then I'll be beating up you

Look out! Here I comes!

Ow!

Ain't nothing to do, ain't nothing to do

Just ain't nothing to do

Gonna knock up that little girl over there

Then I'll be knocking up you

Ain't nothing to do (4x)

Ain't nothing, aw!
