I feel I'm getting weak at the knees
I bet I'm gettin your disease
Too weak to run, I've lost to much blood
Don't you understand, I've had enough
Coughing up blood
I'm coughing your love
Coughing up blood
I think I've had enough
I've had enough of you
Always homicide
Let me go while I can still walk all right
I let you out, but you tear my flesh
How'd I get into such a mess
Leeech
Coughing up blood
I'm coughing your love
Coughing up blood
I think I've had enough
I've had enough of you
No matter how, I think you won't let go
You tell me I am all you ever know
Well, I don't wanna be your everything
So go in search of your missing link
Leeech
Coughing up blood
I'm coughing your love
Coughing up blood
I think I've had enough
I've had enough of you
