She spends her days,
Waiting by the phone,
Like something on the other end
Can make this easier.
Cause I'll bet she's become
And all she thought she was
Is obvious this breath of life,
It sleeps inside of her.
So look inside yourself,
And find me something else,
That keeps you hanging on.
So look inside yourself,
And find me something else,
That keeps you hanging on.
Today she woke to find the strength inside her
Song that put a smile upon her face, but you know,
It never lasts for long.
Cause I'll bet she's become
And all she thought she was is obvious
This breath of life, it screams inside of her.
So look inside yourself,
And find me something else,
That keeps you hanging on.
So look inside yourself,
And find me something else,
That keeps you hanging on.
I'm looking for an answer here ohoh.
I'm looking for an answer here ohoh.
I'm looking for an answer here ohoh.
So look inside yourself,
And find me something else,
That keeps you hanging on.
So look inside yourself,
And find me something else,
That keeps you hanging on,
Ohohoh ohohoh oooooohhh.
