I'm crawling in your heart
Love and moderation was all you ever gave
But look inside 'cause the sting of this sensation
It flickers like a drug there in your eyes

And you feel it but you fight it, the more you pull the
rope, it tightens
And you follow the moments to the place we've built to
find
I'm crawling in your heart, ooh, ooh, ooh, ooh
Crawling in your heart, ooh, ooh, ooh, ooh

You envy all the others, you're thumbing through
The worst just to feel the heart
And will you ever see it, well
It's me here by your side

Can you feel it but you fight it
The more you pull, the load gets light
And you follow my words, dear
To the place we've built to find

I'm crawling in your heart, ooh, ooh, ooh, ooh
I'm crawling in your heart, ooh, ooh, ooh, ooh
I'm crawling in your heart, ooh, ooh, ooh, ooh
I'm crawling in your heart, ooh, ooh, ooh, ooh

When you feel it, don't fight it
We can sail away tonight and we'll follow the flashes
Of the love we built to find
I'm crawling in your heart, ooh, ooh, ooh, ooh

I'm crawling in your heart, ooh, ooh, ooh, ooh
I'm crawling in your heart, ooh, ooh, ooh, ooh
I'm crawling in your heart, ooh, ooh, ooh, ooh
I'm crawling in your heart, ooh, ooh, ooh, ooh
