is there a place  
where smiles won't fade  
and hearts don't break  
i wanna go there  
and strangers are friends  
from lifetimes of waiting  
to begin

draw a line in the sand don't cross it  
keep your hopes in a box don't lock it  
keep your love right here don't toss it  
it's the best part  
everything you are

is there a way  
to turn back time  
to forget all of my yesterdays  
to "it-all-just-seems-alright"  
as it leaves  
i'll learn how to laugh and smile  
here by here i'll take it all and stride  
or dwell on how as i did last time  
there'll always be a second try

draw a line in the sand don't cross it

keep your hopes in a box don't lock it  
keep your love right here don't toss it  
it's the best part  
everything you are
