Time has got the best of us
And for God the rest of us
Sit on down and watch TV
Trying to find the piece of sanity
Will we ever get back innocence
And get lost in all the little things we can

Whoa, we're not gonna stand for this
With love we fight injustice
Ready or not here we come
We are hope, we are the heart of the young

Trapped in cells we're going down
With trembling hands we hold our ground
Ancestors fire their way
Through hate and worthless barricades
Will we ever take back innocence
And get lost in all the little things we can

Whoa, we're not gonna stand for this
With love we fight injustice
Ready or not here we come
We are hope, we are the heart of the young

Feeling like a broken record that I can't escape
(We are, We are)
Watching it in slow motion, wishing it would go away
(We are, We are)
Feeling like a broken record that I can't escape
(We are, We are)

Whoa, we're not gonna stand for this
With love we fight injustice
Ready or not here we come
We are hope, we are the heart of the young

We're not gonna stand for this
With love we fight injustice
Ready or not here we come
We are hope, we are the heart of the young
