Give me one thing you love, girl, that makes you hurt
And I'll be there ten days before you call
Give me one thing you know, girl, that makes you cry
And I'll do everything in my power to make it subside

You know I'll be there for you
You know I'll try
And when I am drifting from your love, babe
You'll be my inward tide

I, I ain't felt the same
Since I saw your face
Through the window on Washington Lane
Your voice, it echoes off the walls
Travels down the halls
Which led me back to you

You know I'll be there for you
You know I'll try
And when I am drifting from your love, babe
You'll be my inward tide

You know I'll be there for you
You know I'll try
And when I am drifting from your love, babe
You'll be my inward tide

Caught in the way that it was
It's all the same
It's all the same
(Repeat x 3)

I'll sail the seven seas
And get down on my knees
I'll sing this symphony
Just to bring you back to me
(Repeat x 2)

You know I'll be there for you
You know I'll try
And when I am drifting from your love, babe

You'll be my inward tide
(Repeat x 2)

Caught in the way that is was
It's all the same
It's all the same
(Repeat x 6)
