In the city that never sleeps,  
Restless hearts are moving through the beat  
Trying to find out who we trying to be  
Nowhere to go  
Man on the corner asking for some change  
His troubled eyes are reaching for a way  
So many times you know, I feel, the same  
Nowhere to go

Whoa, yeah I need a hallelujah  
I said, whoa,  
Whoa, yeah I need a hallelujah  
There's an ocean inside us all  
A little bit of grace to break my fall  
I need your time  
Oh brother, won't you come and help me out

Whoa, yeah I need hallelujah  
I said, whoa,  
Whoa, yeah I need a hallelujah

When you walk through the fire, just open your eyes, to  
see

Every good heart's going to need somebody (to take it  
away)  
Every good line in the lover's tune (caught in the pain)  
Yesterday has gone away  
You're waiting on a new day

Every good heart's going to need somebody (to take it  
away)  
Every good line in the lover's tune (caught in the pain)  
Yesterday has gone away  
You're waiting on a new day

No, well I'm still wait. Oh well I'm still waiting

Every good heart's going to need somebody (to take it  
away)  
Every good line in the lover's tune (caught in the pain)

Yesterday has gone away  
You're waiting on a new day

Every good heart's going to need somebody (to take it  
away)  
Every good line in the lover's tune (caught in the pain)  
Yesterday has gone away  
You're waiting on a new day
