Don't look so sad
I know it's over
But life goes on
And this world keeps on turnin', yeah

Let's just be glad
We have this time to spend together
There is no need
To watch the bridges that we're burning

Lay your head on my pillow, sweet baby
Hold your warm and tender body close to mine
Hear the whisper of the raindrops
Blowin' softly against my window pane, oh, late at night

Make believe you love me
One more time
For the good times
For the good times

I'll get along
And I'm sure you'll find another
But baby, please remember
I'll be here, I'm gonna stay right here

And if you should ever find you need me, yeah
Don't say a word about tomorrow
Ahh, forever and ever and ever and ever
There'll be time enough for severance, when you leave
me

For the good times, oh, yeah
For the good times

Lay your head on my pillow, oh, this is one time girl
Hold your warm and tender body close to mine
Oh baby, won't you hear that whisper of the raindrops
Blowin' softly against my window?

All ya gotta do is, all ya gotta do is
Make believe you love me
One more time, for me baby

For the good times, for the good times
And here's what you ought to do

Lay your head on my pillow
I just wanna hold your warm and tender body close to
mine
Hear the whisper
