I, I'm so in love with you
Whatever you want to do
Is all right with me
'Cause you make me feel so brand new
And I want to spend my life with you

Verse 2:

Since, since we've been together
Loving you forever
Is what I need
Let me be the one you come running to
I'll never be untrue

Bridge:

Let's, let's stay together
Lovin' you whether, whether
Times are good or bad, happy or sad

Whether times are good or bad, happy or sad

Verse 3:

Why, why some people break up
Then turn around and make up
I just can't see
You'd never do that to me (would you, baby)
Staying around you is all I see
(Here's what I want us to do)

Coda (repeat to fade):

Let's, we oughta stay together
Loving you whether, whether
Times are good or bad, happy or sad
