Love and happiness, yeah
Something that can make you do wrong, make you do
right, yeah
Love

Love and happiness, wait a minute
Something's going wrong, someone's on the phone
Three o'clock in the morning, yeah
Talkin' about how she can make it right, yeah

Well, happiness is when you really feel good with
somebody
But nothing wrong with being in love with someone,
yeah
Oh, baby, love and happiness, love and happiness
Love and happiness, love and happiness oh

Have to say
Love and happiness, love and happiness
Love and happiness, love and happiness

You be good to me
I'll be good to you
We'll be together
We'll see each other
Walk away with victory, yeah

Oh baby
Love and happiness, love and happiness, oh yeah
Love and happiness, love and happiness, oh

Make you do right, love'll make you do wrong
Make you come home early, oh
Make you stay out all night long
Love, love, love

Wait a minute, let me tell you
The power, the power of love
The power, power
Make you do right, yeah love'll make you do wrong, oh
baby

Love and happiness
Love and happiness
Love and happiness
Love and happiness

Make you want to dance
Love and happiness, yeah
Love is, wait a minute love is, yeah
Walkin' together, yeah, talkin' together

Say it again, say it together
[Incomprehensible]
Moments of love
Moments of love
Moments of love
