I don't care about my baby  
She don't care about me  
I don't care about my baby  
She don't care about me

Walking down the avenue  
Seems I'm always runnin' into you  
You got nothing for me, you've got no words to say  
But I, I guess you never did anyway

Now I don't care about my baby  
She don't care about me  
I don't care about my baby  
She don't care about me

There was a time when you cared for me  
Honey, there was a time you prepared for me  
Those days are gone, honey, they are down the drain  
You got to find someone else to call your name

Well, I, I don't care about my baby  
She don't care about me  
I don't care about my baby  
She don't care about me

There was a time when you loved me so  
Honey, there was a time you wouldn't let me go  
Those days are gone, honey, I'm well aware  
Those days are gone but I just don't care

And I, I don't care about my baby  
She don't care about me  
I don't care about my baby  
Now, she don't care about me, alright

Someday soon and it won't be long  
Somebody's gonna hurt you, somebody's gonna do  
you wrong  
And you'll be crying, honey, don't you come my  
way  
I'll look at you and laugh, honey, and then I'll say

I'll say I don't care about you, baby  
You don't care about me  
I don't care about you, baby  
You don't care about me

You just runnin' 'round, you just runnin' 'round  
You just runnin', runnin', runnin', oh, oh, honey, you  
runnin' now  
Are you runnin' 'round, you runnin' 'round  
Are you runnin', you're runnin' and I'm runnin' too
