A tramp in green
Death sun shines down

I will be your friend
I will be your friend

I fought over seas
When I was a young man
Came home
To find I had no home

God lied to me
Dumped me here;
22nd Street

A tramp in green!
Death Sun shines down!

I will be your friend... etc...

The sun
Means joy for you
But hell for me
Each day laughs as I hold on!
But I'll do one thing;
I'll give you a smile
Please return each day

The sun
Screaming as the cars go by
Children...
Playing in the distance
God bless you friend
Everyday
You give me time!
