Can I  
Picture a world  
A world without you  
The answer is no

I'd die  
Five times  
Before I  
Couldn't dream  
Of you  
... in my way  
... of freedom  
Oh...

Can I  
Ever get off my ass  
The answer might be no  
But I'm a man of class  
Oh...

And pride and prayer  
And hope...  
" Don't see!  
Any future for you...  
... but me  
... oh

So don't try!  
Just stay where you are  
Where I can never reach you  
... where I will never try

You know I love you!  
'Only one I've considered  
I can't stop thinkin' of you!  
Yeah

... I said well it's time'  
To picture that world  
The one without you  
The one I never considered;

I woke up  
Today  
'thought it was just another  
Dull day...  
But I was wrong;  
I found out  
Today...  
... that you're gone...

Why?  
Ya didn't stay where you were  
Where I could never reach you  
... where I would never try

Damn it..  
I loved you  
The only one I considered  
'Couldn't stop thinkin' of you!
