Don't kill one  
You must kill many  
Or you must die  
You're insane

We will feed you  
We will house you  
... and we will watch you  
Flash your smile

... in the court room,  
On tv;  
You'll be famous  
If you kill many!

Don't kill the killers  
Feed them well  
Accept their smiles  
Accept your tears

It's ok  
They're put away  
Where we can house them  
Everyday

You've killed one  
Now you must die  
You're sane!  
You know what you've done

Too much tv  
Too much society  
... not enough love  
Drove you crazy!

You've no excuse!  
'cause you've killed one  
Sorry Son  
That's the way it's done

... in this society  
Where you must kill many

You must kill many!  
You must kill many! (Laughing Ha Ha)

Kill the Killer!  
Don't feed him well  
For long!  
Put him in hell  
Where he belongs  
Because he killed one  
He knows what he's done  
He's perfectly sane

(Again singing)  
You've killed one  
Now you must die  
You're sane  
You know what you've done...  
Etc...  
Sorry son...  
Etc...

Like I told you before  
Etc...
