I can't stray from you
I'm addicted
I must obey strictly
I'm addicted
And when I pray, darlin'
I'm addicted
And as I say this
I'm addicted

I'm gone...

Half the time
I'm in a daze
Half the time
You eat my head

I can't go far
Your addicted
You always page me
You're after one thing

... And though I know it's wrong
I'm addicted
I come running home
For you to abuse me

I'm gone...

Half the time
Etc...

We can't go on like this
... but we will
The truth is always near
But we don't care

... And I thank God you got pills
Now you're ok
We got our happy home back
It's gonna be ok

Ok

Oh...

Half the time
I'm in a daze
Half the time
You eat my head...
