So you took another trip?

Well, I did too

Even though I said I'd never come back

Are ya staying at the Motel 8?

Me too

Something here is telling me...

I'm not over you anymore

Did you take a lot of pills?

Well, I did too

Left them on the television set in my room

Feel a little nervous?

I do too

Something here is telling me...

I'm not over you anymore

We ought to go one more round

No one will know

I won't make a sound

A kiss on the mouth

A kiss on the mouth

If you are aroused

You are aroused

So ya took another trip?

Well, I did too

Even though I said I'd never come back

Are you staying at the Motel 8?

Me too

We ought to go one more round

No one will know

I won't make a sound

A kiss on the mouth

A kiss on the mouth

And you are aroused

You are aroused

I'm not over you anymore
