The world I see
It's got things in it...'try to hold us down!
... but take my hand girl
Don't you wear no frown

Adrenaline circles!
... and we hit the ground
Adrenaline jerks!
We don't make no sound

My word is final!

'Cause I've
Got news for them
We don't take
Their so called love
We;

Why ask why?
Why ask why?
Why ask why?
Why ask why?

What can we do!?
Winde up like Kurt Cobain
Hating everything?
Hold me tight girl!
We can beat this thing
'Don't need no disco
We're a love machine
We're getting married...

'Cause I'
Got new for them
We don't take!!
Their so called...
Etc...

Why ask why?
Why ask why?
Etc...

Woe - oh yeah!
Here we go!
Awe come on... One more time!

A quantum leap forward!
Mankind learned to evolve
Material action (Mercury faction)
Retro-reaction

The world I see
It's got things in it that try to hold us down
'got to take hand
Don't wear no frown

Adrenaline jerks!
Etc...

Because I've got news for them!
Etc...

Why ask why?
Why ask why?
