Holy Holy Mackarel (4x)

He's bald on top

He's got an artificial hip

He's gonna take a hop

He's gonna take a trip

He's weak in the knees

And he can find his tees

But put your hands together

Cause he's here to please

He's a Flying Fishmonger (Flying Fishmonger)

Everybody Flying Fishmonger (Everybody wonder)

He's a Flying Fishmonger with fantasy

He's got an old bundle motor

And a pair of wheels
