The day I found you  
You were down here with me  
Now when I see you  
You hover so high!  
You're like a building  
Like a jet in the sky  
... Ofcourse I cannot believe... !!  
... that you were down here with me!

The day we met you were a bum in green  
The lowliest bloke  
That I' ever seen!

Now you got a job  
They rely on you  
I ain't got nothin'  
How' di' ya do it?  
Gimme your secret  
Gimme a clue  
We shared this corner!  
Someone went and helped you!

The day we met...  
Etc...

... but I got the wrong guy  
I went and I blabbed  
He walked away laughin'  
'return to my cold slab  
The fool again  
Who fought and died  
I should have known better  
No way out of God's joke

I've been reachin' out  
The people walk by  
They know I'm insane  
It's good to see you  
You have faith in me  
Now lift me up too

The day we met

You were a bum in green  
The lowliest bloke  
That I ever seen!
