Little Man
Wheres your mother?
Little Man
Wheres your brother?

Run to them
... while you still can

Little Man
With unskilled hands
The Little Man!
... who never had any
Laid out plans...

Little Man
With your little job!
'loving arms
Won't wait at home for you!

Little Man
... in the pitcher house
Little Man!
... that's where you'll remain...
Yeah...

I said a' wheres your mother
I said a' wheres your brother?
Oh yeah

... When the rain is falling
Or the suns relentless
And your feet are blistered
You can't run to your sister!

... or your mother
Or your brother

... ah
... forever
... ah, but you can try...

Little Man

Wheres your mother?
Etc...
