The guy couldn't take it anymore  
'he bought the gun  
Now all there was left  
To be done was use it  
On himself

He knew he was pathetic  
A loser  
A failure  
He loved her  
'She didn't know he existed...  
He raised  
'the piece to his brains...

Suddenly there was a knock at his door  
He put the thing down  
And quickly hid it  
As his mum entered his room in tears  
To tell him that she was gone  
By her own hand  
Over him!

"He just couldn't take it anymore  
'he bought the gun  
Now all there was left  
To be done was use it  
On himself

He was pathetic  
A loser  
'She didn't know he exists...  
He raised  
'the piece to his brains...

'Just couldn't take it anymore...  
Etc...

I just can't take it anymore!  
You just can't take it anymore!  
What are we waiting for?  
We can be like them!  
... or we can pretend!

We are pathetic losers  
We don't know we exist  
We raise the piece  
... to our brains...
