

## **Greenhouse Effect "Ripping Reason"**

Visit "[Ripping Reason](#)" on MotoLyrics.com

You know the reason  
... that I should go  
But you won't ever let me know!  
It is the season  
... for us to grow!  
... but we're content to wallow low

Communication shakey  
Communicable disease  
It is so boreing; 'emptying me

Ripping!  
Ripping my (or the) head apart  
Ripping  
Ripping my (or the) heart out  
Feeding  
Feeding and bleeding  
Cheating!!  
Someday we'll see!

'... When our eyes grow  
And our ears pop out...'  
"Evolution is so slow"  
It is the season  
For us to be adults  
It's too bad I died ten minutes ago

Communications shakey  
Communicable disease  
This is so boring  
'Emptying me

Ripping  
Ripping my head apart  
Ripping  
Ripping your heart out  
Feeding  
Feeding and bleeding  
Bleeding  
Someday we'll see!

When our eyes grow...

Etc...

Communication...

Etc...

Ripping

Ripping the head apart

Ripping

Ripping the heart out

Ripping

Ripping the will apart

Ripping (tearing)

Tearing my will up

Leaving

(unintelligable)

Leaving

I'll leave nothing to You!!

Ripping

You've ripped my head apart

Apart!
