Tell me why
It's hard
To be
A man
Tell me why
I long
To be
A boy

You and I have got to understand
That our lives are really in demand
Tell me why
Oh
Tell me why...

We will never comprehend
We will always search and destroy

Tell me girl
As you
Look in
My eyes
What the hell
Is so
Damned good
About me?

You and I have got to understand
That our lives are really
In demand?

Oh oh...
Tell me why
Tell me why

We will never comprehend
We will always Search and Destroy

Go for it
Hey kid!
Don't let em'
Run you

Don't sit there
In the road
Jump on her (or it)
It's Easy!!

And... You and I have got to understand
That our lives are really in demand...
Etc...
