Once upon a time
This criminal roamed the streets
But now societys' safe
He's locked up to his teeth

Somewhere out in that sun
Lays that little girl
And drives those police
'who enforced her little world

... And here today I stay
Awaiting judgement day!
Will trumped up charges stand?
'Waiting judgement day
I've gotten to know me well
'Waiting judgement day
In this unfair hell
Waiting judgement on my soul

A lesson learned
For the little girl
A life sentence
For this criminal
Who once did his best
Fought through laziness
Only to winde up here
God will be put to test

Cause they are gonna pay
'Waiting judgement day
Pay with their lives
Waiting judgement day
I've gotten to know me well
'Waiting judgement day...
This criminal deserves this hell!

Waiting...
Etc...
