I'm a white suburban liar
Weevin' my genes again (or genius)
And they'll obey my song
And subscribe to me again

I've got the 'only truth'
See my little girls do missions!
100 more bands! Like me!
Want their money too

It's the worst case scenerio
Ultimate heroes!
It's the worst case scenerio
'to control the coin toss!

Na na na... etc
They say that I am sincere
They say I don't mince words
But they don't know me
Like I do!
It's all been said and done before!

But damn it I do it better
Atleast I'm convincing them
They eat my brainwash and tell!
At 16.99 \$... a pop

And it's the worst case scenerio
Ect...

Some got me believin' I'm guilty
But really it don't matter cause
I go on with what I've become
They can take their case to the gods

I've got my fame to feed me
I was born for this
Can't do nuthin' else
And besides; enforcing little worlds
Pays well! (I can even look you in the eye)

It's the worst case scenerio

Brains in the air!
The worst case scenerio
Up for grabs
Etc...
