He snorts cocaine
He tells lies
Break out of your wine dine mode
And grow up
And fly

Take my hand tonight!
Leave him cold
Yes and though
He can't break your heart

Someone will!

I'll provide for you
I will be true
Me you just don't know
I can't let go

Oh no!

And he says he's improving
But that's what they all say
Damn it don't be afraid!
Cause You just know my love is real

Don't wanna be your teacher
Don't wanna be your fool
But something says that I'm right
You're a social climber!

I'll provide for you
Etc...

He snorts cocaine!
He tells lies!

Awe right
C'mon!

And he says he's improving
But that's what they all say
Damn it don't be afraid!

Cause You just know my love is real

Don't wanna be your teacher

Don't wanna be your fool

But something says that I'm right

You're a social climber!

I'll provide for you

Etc...
