Swirl 360---Okay

She sat me down and took me by the hand  
She said I'll try to make this painless if I can  
She was sorry and then she began to cry  
Couldn't look me in the eye  
I said baby let me just save you the time

I can see where this is going  
Tears will fall and hearts will break  
Loves a game we almost played  
So dry your eyes and be on your way  
As for me I'll be ok

Well I thought we were that perfect match  
It's so hard to say that now without a laugh  
There was never ever such a thing  
Not as far as I can see  
Now that all of love such misery

You can see where this going  
Tears will fall and hearts will break  
Loves a game we almost played

So dry your eyes and be on your way  
As for me I'll be ok

We gonna be ok

I can see where this is going  
Tears will fall and hearts will break  
Loves a chance we almost take  
So dry your eyes and be on your way  
As for me I'll be ok  
As for me I'll be ok  
As for me I'll be ok

I'll be Ok

I'll be Ok
