"I See The Moon"

I see the moon and the moon sees me
And the moon sees the one that I long to see.
So God bless the moon and God bless me
and God bless the one that I long to see.
It seems to me that God above
created you for me to love.
He picked you out of all the rest
because he knew I loved you the best.
I once had a heart called mine you see,
but now it's gone to you from me.
So take good care as I have done
for you have two and I have none.
I see the moon and the moon sees me
And the moon sees the one that long to see.
So God bless the moon and God bless me
And God bless the one that I long to see.
