not a cat  
not a dog  
not a fox but i duno  
rather wait in a hole  
i am starting to \_\_\_\_\_  
search for food  
in the lake

\_\_\_\_\_  
i got friends down in the woods  
that is why i feel so good hey  
your world is not for me  
im a racoon see what i see  
your world is not for me  
im a racoon stay away from me  
i got ears  
i got claws  
i got fleas  
i got \_\_\_\_  
lying in a garbage can outside the government  
no one man can hold me down

\_\_\_\_\_  
\_\_\_\_\_  
your world is not for me  
im a racoon see what i see  
your world is not for me  
im a racoon stay away from me  
your world is not for me  
im a racoon see what i see  
your world is not for me  
im a racoon stay away from me
