i dont care
just leave me in my room
i dont care
im runnin out of air quick baby
im going down, down, down, down

Im going overboard
watch me while i drown

So get outta my room
Leave me alone
we wont suck real soon
get off the phone
and its a suffocation sickness baby
i turn the tables on you, you , you you

im going overboard
watch me while i drown
Im going overboard
I just cant take it no more
Its just an underwater trip
Now i sink or swim
Im going overboard
i dont care
im going overboard
i dont care
im going overboard
leave me alone baby
im going overboard
i dont care
