first one out try to run away
couldnt say i dont think so
we're gona piss on all the youth
before we can row away

we're gona piss on all the youth
before we can row away
piss on all the youth
see you never just go away
dont you think its strange?
we work and we dont give you a brain
forget about your new rate
your fathers here to keep you out of trouble
you too
piss on the youth
hey
put it to the teens
stick it to the kids
try them till theyre out of their minds
we're gona piss on all the youth
before we can row away
give em that beat
give em those shows
give em up for ___ as well
we're gona piss on all the youth
before we can row away
piss on all the youth
see you never just go away
dont you think its strange?
we work and we dont give you a break
forget your pets and your new place
'cause ___ will see if youre keepin out of trouble
you too
come on piss on the youth
hey

swimming in a urinal

the world to blame!
