It's cold outside and I'm a killer  
Rain falls on my head  
My helmet keeps my hair do dry but  
You ain't here to care  
I gotta step my (LIFE) up to my duty  
I might get blown away  
And if I survive, my heart's still bleeding  
When I think your name

I wish I'd known right from the start, oh baby  
What a way to deceive me  
I wish I'd known right from the start, such a pity  
You said you'd never leave me  
I've got razorblade cuts on my heart (oh girl)  
Telling you it's broken plastic darts (oh girl)  
The only thing that keeps from falling apart  
Is it belongs to you, to you, to you

Sure I escaped from the big city  
I was quite nervous there  
At times the (?) ticks and twitches  
(VFW??) stare

I've got a razorblade stuck in my heart, oh baby  
You would never believe me  
I wish I'd known right from the start, such a pity  
You said you'd never leave me  
I've got razorblade cuts on my heart (oh girl)  
Telling you it's broken plastic darts (oh girl)  
The only thing that keeps from falling apart  
Is it belongs to you, to you, to you  
I've got razorblade cuts on my heart (oh girl)  
Telling you it's broken plastic darts (oh girl)  
The only thing that keeps from falling apart  
Is it belongs to you, to you, to you

I got a razorblade heart  
I got a razorblade heart  
(I got) I got a razorblade heart  
(I got, I got) I got a razorblade heart  
There's pain in my heart  
I got a razorblade heart (heart)
