Its just one of those Things. another incident thats best forgotten

OW! how that hammer stings like shiny metal bees they turned your brain so rotten

When he walked in through the door she beat him to the floor

he thought hed get a kiss the hammer NEVER missed one single beat

Oh Soozy Why?

Oh soozy whyd you do it? we dont know why. there must be much more to it.

Its just on of those things, another incident all but forgotten

Ow! how that hammer seems to sting

Like shiny metal Bees they turned your brain so rotten when he walked in through the door she beat him to the floor

he thought hed get a kiss

the hammer wouldn't STOP STOP STOP STOP STOP!

Oh Soozy Why?

Soozy! whyd you do it? [x4]
