"I Need An Energy"

Visit "[I Need An Energy](#)" on MotoLyrics.com

There's not a thing that you could say that could talk
me down,
From all the things that I eat, sleep and dream about.
I've got a feeling that the whole world is watching now,
oh
But I alone for the final minute of this hour.

I need a lift, I need a shake,
I need to find another chance that I can take,
I need a fight, I need an energy,
I need something that will take me quickly.
I gotta just let go-whoa-oh
I gotta just let go-whoa-oh

In my dreams there was a whole lot more than this
Now I wander for the journeys that I chose to miss
For a feeling I have chased almost all my life
It sure feels that it's burning for the final time, oh

I need a lift, I need a shake,
I need to find another chance that I can take,
I need a fight, I need an energy,
I need something that will take me quickly.
I gotta just let go-whoa-oh
I gotta just let go-whoa-oh

It's all that I know, it's all that I see,
It's all that's been here controlling me
It's all that I know, it's all that I see...

I need a lift, I need a shake,
I need to find another chance that I can take,
I need a fight, I need an energy,
I need something that will take me quickly.
I gotta just let go-whoa-oh
I gotta just let go-whoa-oh
I gotta just let go-whoa-oh
I gotta just let go-whoa-oh
I gotta just let go-whoa-oh
I gotta just let go-whoa-oh
