(Russel Smith/Barry Walsh)

You slip your gentle hand in mine
You whisper "Love me one more time"
I feel your fingers brush my skin
And I hold you in my arms again
There's something so easy
About the way you always please me
You seem to know just what to do
To make me more in love with you

I hear your laughter
I see you smiling
I taste your love
And I fall to my knees
Higher than a mountain
Flowin' like a river
Oh I feel forever
Come over me

I was distant as the setting sun
Never learned to trust in anyone
Always runnin' wild and free
'Til you gave your heart to me
Now that the sun is on the rise
I smile into your sleepy eyes
The sweetest feeling I'll ever know
Oh my darlin' I love you so

I hear your laughter
I see you smiling
I taste your love
And I fall to my knees
Higher than a mountain

Flowin' like a river
Oh I feel forever
Come over me

I can see us
Through the years
Across the miles

And the tears
Feels like flyin'
Feels like fallin'
Every time I hear you callin'

Oh, I hear your laughter
I see you smiling
I taste your love
And I fall to my knees
Higher than a mountain
Flowin' like a river
Oh I feel forever
Come over me

I hear your laughter
I see you smiling
I taste your love
And I fall to my knees
Higher than a mountain
Flowin' like a river
Oh I feel forever
Come over me
